THE HON. SRI C. SUBRAMANIAM : சிலர் தமிழ் என்று சொல்லும்போது, அதற்கு இதிலெல்லாம் முதல் இடம் கொடுத்தால் தான் தமிழ் பற்று என்று நினைக்கிறார்கள். என்னுடைய கருத்தில், நம் பள்ளிகளிலே, படிக்கும் பாடங்களிலே, தமிழுக்கு முதல் இடம் கொடுத்தால், தமிழுக்கு முதல் இடம் கொடுத்ததாகும். முதலில் எழுதினால் மட்டும் தமிழ் வளர்ச்சியடைந்ததாக ஆகாது.

SRI V. SANKARAN : தமிழ் எழுத்தில் எழுதியதை, ஹிந்தி எழுத்தை அழித்து எழுதப்பட்டதா, அல்லது அப்படி அழிக் காமல் எழுதப்பட்டதா?

THE HON. SRI C. SUBRAMANIAM : மூன்றையும் சேர்த்து எழுதியிருக்கிறது.

Demand and Collection under the Madras General Sales Tax Act, 1939

34 Q.—SRI R. SRINIVASA IYER Will the Hon. the Minister for Industries be pleased to state with reference to the answer placed on the Table of the House to Question No. 674 on the 10th March 1959—

(a) the reason for the difference between Demand and Collection in 1956-57 and 1957-58 ;

(b) whether the entire demand has since been collected ; and

(c) if not, the reasons therefor ?

A.—(a) The increase in demand and collection under the Madras General Sales Tax Act, 1939, in the year 1957-58 over the demand and collection respectively in the year 1956-57 was due to the following reasons :—

(i) increase in the general rate of tax from 1-9/16 per cent to 2 per cent from 1st August 1957;

(ii) intensive collection ; and

(iii) to the fact that a number of commodities were brought under single point levy under Madras Act 1 of 1957.

The increase under the Madras Entertainments Tax Act was due to the screening of popular films and increase in the number of touring cinemas in 1957-58.

The fall in the demand under Madras Sales of Motor Spirit Taxation Act from Rs. 111 lakhs in 1956-57 to Rs. 108 lakhs in 1957-58 is not appreciable and is presumably due to trade fluctuations.

(b) No. The balances to be collected as on 1st April 1959 out of the demands for the years up to 1956-57 and for 1957-58 are as follows :—

<i>Name of the Act.</i>	1956-57.	1957-58.
	RS.	RS.
Madras General Sales Tax Act, 1939 ..	89,90,795	10,49,316
Madras Entertainments Tax Act, 1939 ..	30,970	11,754
Madras Sales of Motor Spirit Taxation Act, 1939.	60,174	2,211

(c) Out of the balances outstanding some amounts are covered by appeals and revisions, some by proceedings under Revenue Recovery Act, some by applications to Magistrates for recovery of tax as if it were fine imposed by them and others by miscellaneous petitions.

Manufacture of pig iron

65 Q.—SRI P. G. MANICKAM : கனம் உள்விவகார அமைச்சர் அவர்கள் தயவு செய்து பதிலளிப்பாரா—

(அ) சென்னை ராஜ்யத்திலுள்ள ஒவ்வொரு தேனிரும்பு உற்பத்தித் தொழிற்சாலையிலும் 1958-59-ம் நிதி வருடத்தில் எத்தனை டன் தேனிரும்பு உற்பத்தி செய்யப்பட்டன ?

(ஆ) தேனிரும்பு உற்பத்திக்கான மூலதனச் சரக்குகள் எந்தெந்த இடங்களிலிருந்து என்னென்ன சரக்குகள் இறக்குமதி செய்யப்பட்டு வருகின்றன ?

(இ) 2-வது 5 ஆண்டு திட்ட காலத்திற்குள்ளாக எந்தெந்த இடங்களிலே தேனிரும்பு உற்பத்திசாலைகள் நிறுவப்படும் ?

A.—The particulars are furnished below—

(a) There is only one factory in this State, viz., Textool Company, Ltd., Coimbatore, which has been licensed by the Government of India to manufacture pig iron. The firm started production in May 1959 only though trials were made earlier it is ascertained that the firm is not having figures of output of pig iron during the trial periods and hence particulars of output during the financial year 1958-59 are not available.

(b) No information is available on this. But it is reported that all capital equipment required by Textool Company, Ltd., was manufactured by themselves.

(c) The Government of India have agreed in principle to issue two more licences to the following companies to set up pig iron manufacturing units in Salem :—

- 1 Soundararajan & Company, Ltd., Madras; and
- 2 Kalinga Industries, Ltd., Calcutta.

[16th December 1959]

The companies will be granted licences as soon as they obtain clearance certificates from the Chief Controller of Imports and Exports for import of capital goods required for the scheme. Sundararajan and Company has been granted time till 12th January 1960 to obtain a clearance certificate. Kalinga Industries is awaiting the production of Neyveli Lignite as the Company considers that it would not be economical to transport coke from North India. Two companies mentioned would be setting up two factories in Salem as soon as licences are granted to them.

S.S.L.C. Results

71 Q.—SRI T. S. RAMASWAMY } Will the Hon. the Minister for
SRI T. T. DANIEL } Finance be pleased to state—

(a) the district-wise figures of results of the S.S.L.C. candidates and the percentage of passes for the last three years in the State ;

(b) whether the percentage has gone down in the Kanyakumari district this year ; and

(c) if so, the reasons therefor ?

A.—(a) Under the S.S.L.C. Schemes there is no pass or failures in any individual subject. The candidates who obtained the minimum percentage of marks prescribed by the University of Madras will be declared eligible for College Course. This eligibility list is not maintained by the University district-wise.

(b) & (c) The S.S.L.C. Examination in Kanyakumari district was conducted by the Government of Kerala so far. The pass list maintained by that Government is in alphabetical order and not district-wise. In the absence of this information, it is not possible to assess whether the percentage has gone down.

72 Q.—SRI T. T. DANIEL : Will the Hon. the Minister for Finance be pleased to state—

(a) how many students appeared for the Secondary School-Leaving Certificate Examination in March 1959 in the State ; and

(b) the number of students failed in the English in the above examination ?

A.—(a) Fifty-four thousand and eight hundred and twenty-eight candidates appeared for the Secondary School-Leaving Certificate Public Examination of whom 53,351 had taken subjects qualifying for admission to the University Courses of studies.

[16th December 1959]

(b) There is no system of pass or failure in individual subjects under the Secondary School-Leaving Certificate Scheme. The question of failure in English as such does not therefore arise.

(b) Three thousand four hundred and sixty-seven spinners are undergoing training in the Parishramalayas at present.

(c) There is no proposal to construct buildings for the Parishramalayas. The Parishramalayas are started with the object of giving training to the people in particular areas in spinning on Ambar Charka. The duration of the course of training is three months. A number of courses in spinning are conducted to train all the possible spinners in the area. The Parishramalayas are shifted to new areas soon after training is given to all possible spinners in the area. Permanent buildings are therefore not necessary.

(d) At present there is no proposal on hand.

Service Co-operative

120 Q.—SRI P. G. MANICKAM : கனம் கைத்தொழில் அமைச்சர் அவர்கள் தயவுசெய்து பதிலளிப்பாரா—

(அ) மத்திய சர்க்காரின் சமுதாய அபிவிருத்தி கூட்டுறவு இலாகா வினால் உருவாக்கப்பட்ட சேவைக் கூட்டுறவு சங்க பரீட்சார்த்த திட்டமானது எந்தெந்த அபிவிருத்தி வட்டாரங்களில் சென்னை ராஜ்யத்தில் அமுலுக்குக் கொண்டுவரப்படும்?

(ஆ) இத் திட்டத்தின் மூலம் கிராமவாசிகளுக்கு என்னென்ன விதமான உதவிகள் கிடைக்கும்?

A.—(a) It is proposed to organize about 500 new service co-operatives in the state during the year 1959-60. They will be organized both in block development and other areas. Besides about 1,000 existing village societies will be reorganized as service co-operatives.

(b) Besides credit, the service Co-operatives would provide to agriculturists, services, like the purchase and distribution of domestic requirements like kerosene, salt and sugar, of production requisites like improved seeds, agricultural implements, fertilizers and insecticides. They would also undertake marketing of the produce of the members and render such other ancillary services as may be desired.

Exemption of Industrial Co-operative Societies from the levy of sales tax

121 Q.—SRI K. SATTANATHA KARAYALAR : Will the Hon. the Minister for Industries be pleased to state—

(a) the industrial co-operative societies that are exempted from the levy of sales tax ; and

(b) whether there is any proposal to include the potters societies also in the exemption list ?

A.—(a) No industrial co-operative society as such has been exempted from sales tax under the Madras General Sales Tax Act, 1959.

(b) Does not arise.

Marketing Intelligence Scheme

122 Q.—SRI K. SATTANATHA KARAYALAR : Will the Hon. the Minister for Home be pleased to state —

(a) the details regarding the Marketing Intelligence Scheme ; and

(b) the manner in which the work under this Scheme and the work of the Extension Officer for Statistics in the Community Development Blocks is co-ordinated ?

A.—A statement containing the particulars is given below :—

Details of work relating to integrated scheme for improvement of Market Intelligence and co-ordination of the work under this scheme and that of the extension officers (Statistics).

(a) The Integrated Scheme for Improvement of Market Intelligence was included in the Second Five-Year Plan, at the instance of the Government of India. The object of the Scheme is to improve the dissemination of market intelligence, covering arrivals, despatches, stocks, prizes, market sentiments, etc., of important agricultural commodities at select market

[16th December 1959]

centres in the State for which the arrangements existing previously were inadequate. The Scheme was first sanctioned in November 1957 and is being continued under the Second Five-Year Plan. The Scheme is now in force in the following 22 centres :—

- | | |
|-----------------|---------------------|
| 1 Madras City. | 12 Mettupalayam. |
| 2 Kancheepuram. | 13 Tanjore. |
| 3 Cuddalore. | 14 Kumbakonam. |
| 4 Chidambaram. | 15 Nagapattinam. |
| 5 Panruti. | 16 Tiruchirappalli. |
| 6 Vellore. | 17 Madurai. |
| 7 Salem. | 18 Dindigul. |
| 8 Coimbatore. | 19 Virudhunagar. |
| 9 Pollachi. | 20 Tirunelveli. |
| 10 Tirupur. | 21 Tuticorin. |
| 11 Erode. | 22 Nagercoil. |

A whole-time technical agency in the cadre of a Statistical Inspector on Rs. 150–5–200 per mensem has been appointed in each of the above 22 centres for work connected with the Scheme. Certain headquarters staff in the office of the Director of Statistics, Madras, have also been appointed for tabulation and analysis of the data collected and reported by the field staff. The Scheme is being extended to an additional eleven centres during the current year.

(b) The Statistical Inspectors posted at important market centres are attending exclusively to the work relating to the Market Intelligence Scheme. The Extension Officers (Statistics) whose scale of pay is Rs. 80–125 are employed under a different scheme and are posted in Community Development/National Extension Service Blocks, for attending to the administrative intelligence work of the Community Development Programme. The question of co-ordinating the work of the Statistical Inspectors under the Market Intelligence Scheme and Extension Officers (Statistics) does not therefore arise.
